ASSIGNMENT

WHEREAS We, NOOREN, Frans of Gasselterstraat 24, NL-9503 JB STADSKANAAL, The Netherlands, ("Assignors") have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled "Composition for the protection of a shaped article against corrosion" for which an application for United States Letters Patent was filed on January 13, 2006 , and identified by United States Patent Application Number ; and

WHEREAS Frans Nooren Afdichtingssystemen B.V. (Assignee), a corporation established under the laws of the Netherlands and having an address of Gasselterstraat 22, NL-9503 JB STADSKANAAL, The Netherlands, is desirous of acquiring the entire right, title and interest in and to said invention, including the right to sue for past infringement, and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefore;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, we do hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including the right to sue for past infringement and any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, we hereby agree with the said Assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of Assignor and Assignee;

AND We request the Commissioner of Patents and Trademarks or any official whose duty it is to issue patents to issue any Letters Patent of the United States or foreign country which may be issued for said invention to said Assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
